After January 29, 2019, refunds will not be processed. However, substitutions are permitted and must be confirmed by February 15, 2019. You will not be eligible for a refund if you are a “no-show.”

Event Cancellation Policy

In the event that Rethink Methane 2019 is cancelled due to significant and unforeseen events inhibiting travel to the Sacramento area (for reasons such as weather, fires, floods, labor dispute, failure of power or utilities, delay in transportation facilities, etc.), show management will refund fees paid for registration, sponsorship, and exhibit booth space. Fees for travel, time investment, and all other event-related expenses will not be reimbursed. Please note this refund policy applies only in the event of a full event cancellation made at the discretion of the organizers. No guarantees are made with respect to the schedule for reimbursement payments.
